GALA DAY PROGRAMME

2025/056

to be held at
Woodbury Village Hall
Flower Street,
Woodbury, EX51LX

Jurassic Coast International Audio Visual Salon

Hosted by
Exmouth Photo Group

Welcome to the Jurassic Coast International AV Salon Gala Day, run by Exmouth Photo Group. This is the fifth year of the competition, which has both PAGB and FIAP patronage.

Why Jurassic Coast? Exmouth is at the western end of the Jurassic Coast World Heritage Site, which runs for ninety-five miles to Old Harry Rocks in Dorset. Our logo shows the Geoneedle, which marks its start.

The Competition is for digitally-produced Audio Visual sequences with a sound-track, and has three categories:

Open:

The choice is completely up to the author and can include any style of sequence – e.g Documentary, Travel, Theme, Nature etc.

Music, Poetry, Song:

The sequence will illustrate a piece of Music, a Poem or a Song. This may be creative or strongly representative.

New for this year, AV Sans Frontières:

To acknowledge the emerging genre of imagery generated by artificial intelligence (AI), we have introduced this category as an experimental section. Neither FIAP nor the PAGB allow AI generated images, so this new section will sit outside of the main Salon and entries will not be eligible for FIAP Acceptances nor FIAP/PAGB awards.

It is also thanks to the three International Judges who have given up their valuable time to go through all the entries and make their judgements.
